Storyteller**

Personal

Hi! My name is Francesca Legname, I'm a 23 year old Animator and Illustrator from Italy. I specialize in 2D Animation and digital Illustration and I love to experiment with different artistic styles. I dabble with 3D modeling and animation, I'm a fast learner and I'm always finding new ways to challenge myself. In my free time you can find me either playing videogames or worldbuilding one of my stories.
